Subject: Request resend of email

HI Dad

I have sent an email to the Probate Registrar. We will see what response I get. I have mentioned that I have a copy of the letter that Venezilakos sent you about offering a certified copy of the will. I can't seem to locate it which is strange as I have not deleted anything in regards to this matter. I have even created a folder for all correspondence.

Could you therefore send me another email with these attachments again. Just in case the Probate Registrar wants get smart and requests to see a copy of the letter.

Thanks

Annie
