Hi Dad

How are things progressing over there? Hope you are well. Do you have an idea when you will be back yet? I am asking because it is Alexander's 1st birthday on the 6th April (Good Friday!), but Daddy and I are having a party for him on the Saturday 7th April because it is Michael's daughter's 4th birthday on the 7th so we are combining the two together. I want you to come to your grandson's birthday. Let me know.

I have received a copy of the transcript for the last hearing on the Monday 26th February. I asked Vanessa Varga to send me a copy. You may have noticed I was on the email list. I sent an email to her asking some questions and she has just responded with the fact that she cannot provide me with answers or legal advice as she represents the estate.

Have you anything about another court hearing or anything else? Do you know if the Judge has advised the Probate Registrar to withhold on sending you the necessary documents to complete your transfers over there? I wasn't quite sure as the answers weren't all that clear in the transcript.

Also because you have survived your mother I am not being included as a beneficiary of the will (as advised by Vanessa Varga). That is one of the reasons she could not give me any answers or include me as a defendant. I had asked her about submitting a statement (letter) on my opinion re the estate and issues associated with it and again she couldn't advise me. How should I go about it. Should I send something to the court directly and should I send a letter or do it by email? Let me know.

Hope it is going well for you over there dad and look forward to hearing from you soon.

Lots of Love

Anne
