Dad

I am sorry but I have to agree with my sisters on this. They do not think it is right for us to get dragged into it so I will not be getting involved in this. It is your battle to fight not ours. I feel the same way that we cannot trust you to do the right thing.

I know that you have said that we only got involved in the first place because we expected something from you but are wrong in thinking that we are greedy and obsessed with this thing like you are.

Anne
