To Trustee Corporations Association of Australia
Attention: Tony Keywood

Dear Sir

The letter and enclosures attached was intended to be sent via email to the SA Attorney-General, SA Police Minister and SA Premier, but I am firstly approaching the Trustee Corporations Association of Australia (TCA) in the hope that the commercial interests of all of the Australian State Public Trustees should prevail over and not be jeopardised by a particular State Trustee's (SAPTO) unconscionable betrayal of beneficiaries of a deceased estate under its administration.

Yours Truly

Philip Stilianos
