Dear Malcolm,

My name is Shamona Stilianos, you have recently made contact with my sister, Sara Stilianos. I am writing in regards to the Australian Estate of Erini Stiliano. As I am aware, you distributed funds of \$5000 from this estate to my grandfathers account (Phillip Stilianos) a few months ago to help provide with Sara's urgent needs. Currently I am in financial hardship and need funds of \$8000 distributed into my bank account or my grandfathers bank account on my behalf. I need this advanced payment as I am seeking housing because I only have temporary accommodation. This money will help with the bond, first months rent, furniture and white goods plus other household necessities. I am also currently studying but I had to postpone my studies due to my current circumstances and not being able to afford tuition fees and equipment costs. I am hoping to complete this course by the end of the year to further my employment opportunities and these funds will help me achieve this.

Please contact me asap on 0401 856 088 regarding this urgent matter or via email.

Sincerely,

Shamona Stilianos
